2009 Smallworld™ EMEAI Conference

March 4th - 6th, 2009

The Hilton Sorrento Palace, Sorrento, Italy

We look forward to seeing you at next year's conference, which is being held in southern Italy, overlooking the bay of Naples & mount Vesuvius. Join fellow customers, channel companies and GE staff to share firsthand your experiences and success stories. Participate in hands-on workshops, view the exhibits and learn about the latest software developments and innovations. Listen to industry presentations, case studies and product announcements. Network and socialize with colleagues from all across Europe, the Middle East, Africa and India.
